The Budget Estimates for the year 1944-45 have not been passed so that no receipt may perhaps be awaited. This will be worked up after the Budget is sanctioned

A sentence why the grant is for 43 and not 44-45 Has the amount been paid already or is for 43 and why is the term current year used in the letter instead of the previous year

If it is for the contingency, the term "closing balance" is used, while the Budget itself has not yet been sanctioned.
